## SAYS 'YES' TO A NEW

## 'YES' TO EUROPE - 'NO' TO EUROCRATS

A 'Peoples' Vote' giving us the choice to remain in the EU does not mean unconditional support of an institution facing huge legitimacy, efficiency, and fairness gaps. Nor does it imply approval of Prime Minister Theresa May's 'Deal' vainly attempting to cloak the arrogance of power into a veneer of responsibility, but only succeeding to concentrate even more powers in the hands of a London élite that does not care about our quality of life and is unable to resolve the acute challenges we face as a society in a rapidly globalising 21<sup>st</sup> Century world. 'Remain and Transform' the EU means making every effort to redefine the meaning of supranational solidarity across European borders and to work together with all our partners to find effective solutions to common problems that we in the UK can no longer resolve on our own. Join us and find out how you can help make this happen!
